## **National Black Church Initiative Says “ No, Mr. President- You Are A Thugs. You Did Not Call the White Supremacist in Charlottesville Thugs!!**

### *We Have Had Enough*

**Washington DC** — The National Black Church Initiative (NBCI), a coalition of 34,000 churches representing 27.7 million African Americans are joining with over 150,000 faith communities across the country respond to President Trump remarks calling the majority protestors Thugs. Remember, Mr. President you called the racist white supremacy in Charlottesville “good people. Mr. Trump, you are a hypocrite at the nth degree.

You ordered the FBI to investigate the death of George Floyd when you yourself do not trust the FBI. You are so confused in your empty rhetoric. You do not know what you believe. The Black Church believes those protestors are our heroes. You and Sean Hannity can go to hell. We did not want to know what you think. You both are racist at the highest order.

Rev. Anthony Evans, President of the National Black Church Initiative” We do care what Trump thinks. He is a fool. The Bible tells us to not call anyone a fool. But in this case, I ask for a spiritual exemption.”

We must continue to stand up for our God-given dignity. The 150,000 black church support the protestors 100% percent.

## **About NBCI**

The National Black Church Initiative (NBCI) is a coalition of 34,000 African American and Latino Churches working to eradicate racial disparities in healthcare, technology, education, housing, and the environment. NBCI's mission is to provide critical wellness information to all of its members, congregants, Churches, and the public. Our methodology is utilizing faith and sound health science.

NBCI's purpose is to partner with major organizations and officials whose main mission is to reduce racial disparities in the variety of areas cited above. NBCI offers faith-based, out-of-the-box and cutting-edge solutions to stubborn economic and social issues. NBCI's programs are governed by credible statistical analysis, science-based strategies and techniques, and methods that work.
